Robur Ignis

Ship fast ◆ Don't break things ◆ Make it count

If your team is shipping slowly or breaking things, I can help. We'll measure where you are with DORA metrics, find what's holding you back, fix it together, then measure again to make sure it's working and moving your business forward.

Tristan Barrow

Robur Ignis

01 Measure.
02 Diagnose.
03 Fix.
04 Repeat.
